

Firm Profile Document: Indigenous Communities Engagement (ICE)

1. Firm Description

- **Mission:** To advance meaningful reconciliation between Indigenous and non-Indigenous communities by creating Pathways to Prosperity in the Indigenous Economy and improving the quality of life for Indigenous Nations through socio-economic, community, business, and project development.
- **Vision:** A Canada where Indigenous communities thrive as central collaborators, respected partners, and empowered agents in every project affecting their communities and lands
- **Core Identity:** A 100% Indigenous-owned advisory firm in Canada, established in 2015, that provides authentic insights and strategic solutions to bridge cultures, empower communities, and advance meaningful reconciliation.
- **Values:**
 - **Land Stewardship:** Honoring and promoting traditional principles of environmental sustainability.
 - **Reciprocity:** Cultivating equitable relationships and shared benefits to ensure long-term prosperity for Indigenous communities.
 - **Respect:** Celebrating the rich diversity of Indigenous cultures and valuing the unique traditions of each community we serve.
 - **Holistic Perspective:** Integrating economic, social, cultural, and environmental considerations in recognition of interconnected community well-being.
 - **Capacity Building:** Empowering communities with the skills and knowledge to drive their own development.
- **Key Differentiators:**
 - The firm operates at the "pace of the community," not on corporate or academic timelines.
 - The approach is "Indigenous-Centered," placing Indigenous knowledge, cultures, and traditions at the core of all strategies.
 - The firm adheres strictly to OCAP (Ownership, Control, Access, and Possession) principles for data sovereignty.

2. Detailed Services and Synonyms

This section details the services offered by ICE and the corresponding terms likely to be found on external opportunity websites.

Pillar 1: Strategic Planning, Governance, and Reconciliation

- **Core Service:** Reconciliation Action Plans (RAPs)
 - **Description:** Guiding non-Indigenous organizations to create and implement tangible RAPs rooted in the 94 Calls to Action. This involves policy reviews, engagement strategies, and implementation support.
 - **Likely Synonyms:** Reconciliation Planning/Strategy; Indigenous Relations Policy

Development; Corporate Indigenous Relations Strategy; Reconciliation Framework Development; Truth and Reconciliation Action Plan Implementation; Call to Action #92 Corporate Response; Indigenous Relations (IR) Policies; Reconciliation Readiness Assessment.

- **Core Service:** Indigenous Participation Plans (IPPs)
 - **Description:** Designing, developing, and delivering comprehensive IPPs for corporations and the Crown to foster economic inclusion and meaningful partnerships.
 - **Likely Synonyms:** Indigenous Engagement and Participation Plans (IEPP); Indigenous Benefits Plans; Community Benefits Agreements; Indigenous Procurement Strategy; Local Indigenous Content Plan; Socio-Economic Benefits for Indigenous Peoples; Indigenous Employment and Training Plan.
- **Core Service:** Business Advisory Services
 - **Description:** Providing strategic guidance to Indigenous businesses, entrepreneurs, and Economic Development Corporations (EDCs) to foster sustainable growth and maximize economic potential.
 - **Likely Synonyms:** Indigenous Economic Development Support; First Nations Enterprise Development; Indigenous Entrepreneurship Support; EDC Strategic Planning; Community Economic Development Initiative (CEDI); Feasibility Studies; Market Analysis; Transaction and Partnership Advisory.
- **Core Service:** Comprehensive Community Planning (CCPs)
 - **Description:** Facilitating the creation of holistic, long-term community plans that integrate land use, capital planning, and community vision.
 - **Likely Synonyms:** Community-Led Planning; First Nations Community Planning; Holistic Community Planning; Integrated Community Sustainability Plan; Seven Generations Planning; Community Visioning and Goal Setting.

Pillar 2: Land, Resources, and Environmental Stewardship

- **Core Service:** Indigenous Knowledge & Traditional Land Use (IK/TLU) Studies
 - **Description:** Partnering with communities to document, map, and preserve traditional knowledge and land use practices, operating under strict OCAP principles.
 - **Likely Synonyms:** Traditional Ecological Knowledge (TEK) Studies; Traditional Knowledge and Use Studies (TKUS); Use and Occupancy Mapping; Cultural Heritage Assessment; Ethno-historical Research; Indigenous Knowledge Integration.
- **Core Service:** Land Use Planning
 - **Description:** Collaborating with Indigenous communities to co-create land use plans for reserve lands or their territories that balance cultural preservation, environmental protection, and development.
 - **Likely Synonyms:** First Nations Land Management; Territorial Planning; Reserve Land Use Planning; Cultural Site Preservation Strategy; Natural Resource Management Planning; Community Land Stewardship Planning.

- **Core Service:** Environmental & Socio-Economic Impact Assessments
 - **Description:** Conducting assessments that combine traditional knowledge with rigorous analysis to measure and mitigate the effects of proposed developments on communities, rights, and culture.
 - **Likely Synonyms:** Impact Assessment (IA) Support for Indigenous Communities; Social, Economic, and Cultural Impact Assessments; Treaty Rights Impact Assessment; Gender-Based Analysis Plus (GBA+); Community Well-Being Studies; Cumulative Effects Assessment.
- **Core Service:** Environmental Monitoring
 - **Description:** Providing training and support for environmental monitoring and assessment that integrates Traditional Ecological Knowledge with scientific methods.
 - **Likely Synonyms:** Community-Based Monitoring Programs; Indigenous Guardian Programs Support; Third-Party Environmental Compliance Monitoring; Environmental Stewardship Program Development.

Pillar 3: Engagement, Consultation, and Facilitation

- **Core Service:** Indigenous Facilitation & Multistakeholder Engagement
 - **Description:** Providing certified professional facilitation for complex discussions, ensuring processes are culturally appropriate and consensus-driven.
 - **Likely Synonyms:** Consensus Building; Conflict Resolution; Stakeholder Engagement Facilitation; Community Dialogue and Visioning Sessions; Workshop Facilitation.
- **Core Service:** Engagement and Consultation Plans
 - **Description:** Designing and leading robust consultation and engagement strategies for major projects with a focus on building long-term, trust-based relationships.
 - **Likely Synonyms:** Indigenous Consultation Services; Crown-Indigenous Consultation Support; Duty to Consult and Accommodate Services; Rightsholder Engagement Strategy; Stakeholder Mapping and Analysis.
- **Core Service:** Social Research and Data Collection
 - **Description:** Conducting qualitative and quantitative social research, including surveys, interviews, and focus groups, to inform project planning and policy.
 - **Likely Synonyms:** Community-Based Research; Community Needs Assessment; Surveys, Focus Groups, and Interviews; Data Sovereignty & OCAP Protocol Implementation.

Pillar 4: Project Management and Technical Implementation

- **Core Service:** Project Management & Technical Support
 - **Description:** Offering comprehensive project management and technical support for natural resource, infrastructure, and community development projects, ensuring they are culturally aligned and provide community benefits.
 - **Likely Synonyms:** Major Project Indigenous Inclusion Support; Natural Resource

Project Advisory; Infrastructure Project Management; Implementation Support and Monitoring; Owner's Representative Services; Project Coordination.

- **Core Service:** Capacity Building and Training
 - **Description:** Designing and delivering tailored training programs to enhance skills in project management, governance, and community engagement to support long-term self-reliance.
 - **Likely Synonyms:** Community Capacity Development; Leadership and Governance Training; "Train the trainer" programs; Skills Development and Enhancement; Community Empowerment Workshops.
